Most of the staff are staying at the Laquinta Inn. Hobby airport is located closer to the site. Bush Intercontinental Airport is in North Houston.

Hey R6-

I've got one who can deploy tomorrow, but need a couple details to make sure we're all set. I assume they will fly to Houston, yes? Is there a certain hotel/area that everyone is staying? Who should I have the OSCs report to? Thanks!

Shawna

Thanks

We currently have a 24 hr. operation on-going; however, the water operations are occurring between 7am and 7 pm. Let me know if you have any OSCs who are available to deploy for arrival as early as tomorrow. Due to budget limitations, we cannot offer Overtime. Hopefully, you can offer your staff Comptime. They will need to bring the following with them:
